Petition Packet:
Your Petition Packet must include the following:
- A signed petition cover letter
- A Typed Petition
- A Statement from at least one Foreign Language Instructor
- A Statement from your Academic Advisor
- Documentation of a Language Based Learning Disability
- Any other documentation requested by the committee

Petition:
In no more than two typed pages, your petition should address the following:
1. Your historical experience of learning foreign languages and how your learning disability impacted your efforts.

2. Your good faith effort to complete the foreign language requirement at Colby, including the following:
   - Your experience with the foreign language course taken
   - Your use of accommodations, tutors, office hours and other resources

3. The specific barriers you have faced in learning a foreign language at Colby as they relate to your disability and their impact on your overall experience.

Foreign Language instructor Statement:
Using the advisor/Instructor Statement form, you will need to have your foreign language instructor describe their impressions of your good faith effort in their class(es).

Advisor Statement:
Using the Advisor/Instructor Statement form, you will need to ask your advisor to describe the conversations you have had with them about your difficulty in fulfilling the foreign language requirement.
